

PARTY INFORMATION

Mid-Atlantic Gymnastics Center offers a party that is great fun for children ages four through teens. The party is made up of two sections in a 1^{1/2} hour block of time. The first section of the party is approximately 60 minutes long, and consists of gymnastics activities: a group warm-up, movement games, an obstacle course, and a final segment of instruction on trampoline. This is the basic format and may vary slightly depending on the ages and abilities of the children attending. The second section of the party is the responsibility of the parent in charge. The parent in charge is welcome to use our waiting area for party favors, ice cream and/or cake, drinks, opening of presents, etc. This along with a general clean-up should fill the second part of the 1^{1/2} hours.
